

FROM THE PUBLIC AFFAIRS/RECRUITING OFFICER:

RECRUITING: The next open house will be at **10 am** at drill on Saturday, March 2nd at the Naval Operations Support Center which is located at 3 Porter Ave, Buffalo next to the Buffalo Yacht Club. Bring a friend. Please call me if you are bringing someone and let's earn some recruiting ribbons.

If you recruit three new cadets who stay with the unit for one year you will receive a voucher for one free training of your choice. We are looking at some serious money here, cadets. You are my best recruiters, so please talk up this program and invite some qualified friends to an open house. Because of the number of League Cadets that moved up we need to increase those numbers. Please think of any qualified 10-12 year olds and have them contact me.

MARKSMANSHIP TRAINING: The next Marksmanship training will be held Thursday March 7th which is the Thursday after drill. You may bring in your own .22 caliber rifle if you have one. There will be a sign up at drill or you can call me ahead of time to reserve a spot. I will have Locally Arranged Training Authority (Cadet) orders which have to be completed by your parent. If your parent is not driving you to the range you must ask me for blank orders at drill so that your parent can complete them ahead of time. No exceptions. Make sure you bring your six dollars (exact change), ID card and health insurance information.

Congratulations to Joshua Myers for earning his Marksman ribbon, Sharpshooter and Expert appurtenances, Victoria Dunker for earning her Marksman ribbon and LTjg Coggins for earning her Sharpshooter appurtenance.

See You ALL at Drill,
LCDR Hall
